Wage war in the North and assume command of the most storied civilizations in all of Middle-earth history - the Elven and Dwarven armies - or fight on the side of Evil with heroes.. The Battle for Middle-earth II has all new content from J R R Tolkien's original fiction, which let you delve deeper than ever before and engage in new battles that go beyond the award-winning movie trilogy.. It's fun, great looking, challenging, and at times epic I've been playing it for years and years, all the way back to my old XP machine circa 2006.. Jan 29, 2019 There certainly is It surprises me how many people don't know this, but Macs can run Windows.
